

**STORE IT**

■ Chinois fan or not, chances are you'll find this teal blue silk spectacle pouch (\$40, from Shanghai Tang) with fuchsia embroidery and frog button irresistible.

■ Etched Oriental designs on this elegant silver-plated spectacle case (\$40, from Shanghai Tang) give it added style.

■ Funky, fashionable, or just plain weird - this silver-grey

Solid Fuel spectacle case (\$35.90, The Heeren) is a sure conversation starter.

■ The next time you go on a trip, save yourself the hassle of lugging huge bottles of lens care solutions. The P2 Handy Travel Pack (\$6.50, from most opticians) comes with a lens case, comfort drops and 10 disposable bottles of multi-purpose solution. Each bottle can last you a day.

**COLOURED LENSES**

Think coloured lenses look kind of weird? Now, FreshLook ColorBlends (\$50, from most opticians) come in gradations of three colours to give the wearer a more natural appearance.

These are particularly suitable for Asians with

chestnut or dark brown eyes and can be used for a month.

P2  
PENTA-PLEX

1993年, Opto-Pharm公司开发了一种含有人造眼泪成分的隐形眼镜清洁液。试验证实这项名为Penta-Plex是一种多合一溶液,含有5种活性成分,这项产品已于去年5月推出市场。

今年年初, Opto-Pharm公司又把新配方的隐形眼睛清洁液带入市场,并推出360毫升包装的清洁液,取名P2 Penta-Plex,每瓶售价6元5角,并附送一支10毫升的眼药水。

为方便人们携带出国干和旅游,该公司还推出旅行装P2 Penta-Plex清洁液,其中共有10小支即用即丢型清洁液,一个隐形眼镜盒,还附上一支眼药水,每盒售价6元5角,经济又实惠。可到各大眼镜公司购买。

Opto-Pharm公司是首家获得TGA良好生产程序证书的本地公司,该公司也获颁ISO 9002证书。该公司由邱胜辉夫妻联合经营,经营眼镜保健生意近40年,所生产的个人保健品包括:无菌清洗液、洗眼水、隐形眼镜食盐水、眼药水和喷鼻液,并以即用即丢的“合一包装”(Uni-dose)为特色。
